Subject: New submission from EIS Submission

[REDACTED]

Declaration and Consent

Privacy

☒ I have read the [Privacy Collection Statement](#) and acknowledge that personal information I provide in my submission may be used or published as part of the EIS process

Publishing

☒ I acknowledge that a copy of my submission may be published in its entirety on this website and/or a government website.

Personal Information

☒ Where personal information about other people (including photos) is included in my submission, I have notified them of the contents of this [Privacy Collection Statement](#) and obtained their consent to their personal information being disclosed and published

Intellectual Property

☒ I am entitled to deal with the intellectual property rights (including copyright) of all material (both mine and any third party's) in my submission and have obtained necessary consent(s) from any and all third parties owning the copyright for such dealings.

Representative Information

Are you making this submission on behalf of someone else and/or an organisation?

No

How would you like to make your submission?

- ☒ I would like to enter it into a textbox

Your Submission

This should be built ASAP. Hell, make it bigger! The damage of ongoing fossil fuel use arising from any delay is more harmful to the world than whatever minor impacts are likely to arise on this project. The best thing we can do for the environment is get out of the way and let it be built.

Submission Declaration

✔ This submission does not contain any material that could be regarded as defamatory or offensive to any person

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.
